

Guillotine 565

- User-friendly guillotine for professional use
- Sturdy solid metal table with rounded edges and non-slip rubber feet for firm standing
- Practical recessed grips
- Helpful format lines on the base with mm division along the cutting edge make aligning the material to be cut even easier
- Ergonomically shaped handle
- Extra large work surface, also suitable for continuous stationery
- Ground upper blade made of hardened, re-sharpenable Solingen steel bolted to the solid steel blade holder
- Bolted lower blade of ground and hardened Solingen steel
- High-quality, re-sharpenable blades made of Solingen steel
- Sturdy, solid-steel blade holder for optimum guidance of the screw-mounted upper blade
- Unique automatic safety guard for a clear view of the cutting edge
- Automatic clamping for optimum operating convenience
- Two scale bars with mm scale for an exact 90° cut
- Adjustable backstop for quickly finding the right format – can be used on both scale bars
- Pull-out front stop up to 170 mm for cutting strips of equal width - with fold-out paper holders
- Precision narrow-strip cutting device for cutting extremely thin strips

*The indicated sheet capacity for cutting machines is due to standard paper weight of 80 gsm but is still subject to texture, quality and state of paper. All of such information is based on the general formula 10 sheets = 1 mm stack height and may only be used as an aid to orientation for the selection of the cutting machine.
