

Safety Data Sheet Declaration for

Aidian Clean Card® PRO (133148, 133149)

The European Union Regulation (EC) No. 1907/2006 Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) aims to protect human health and the environment by reducing and restricting the use of most hazardous chemical substances. As a responsible manufacturer, Aidian's intention is to fully comply with all legal requirements and to ensure a responsible and sustainable business manner. Aidian is committed to the EU's mission and vision to reduce and restrict hazardous chemical substances.

We hereby confirm that Aidian's products are compliant with the REACH regulation and its amendments as well as Regulation (EC) No. 1272/2008 of the European Parliament and of the Council on Classification, Labelling and Packaging of substances and mixtures (CLP). Aidian Clean Card PRO is considered a mixture according to REACH and CLP regulations, and it does not fulfil the criteria for when the safety data sheet must be provided either

- without request (REACH Article 31(1) as amended by CLP Article 59(2a)) or
- on request (REACH Article 31(3) as amended by CLP Article 59(2b)).

Therefore, we confirm that a safety data sheet is not required for Aidian Clean Card PRO according to REACH and CLP requirements. In addition, Aidian acknowledges that it has a legal obligation to keep itself informed of possible changes in the associated REACH and CLP regulations and thus, continues to comply with REACH and CLP requirements.
